## Eternal Source of Light Divine

George Frederic Handel  
*Arranged by David Marlatt*

THE WORK: Eternal Source of Light Divine is duet for voice (tenor or soprano) and trumpet. This combination of soloists has been used by George Frederick Handel (1685-1759), Johann Sebastian Bach and Henry Purcell. Like many other composers of the time (including Purcell), Handel wrote tributes to the rulers of the day. For Queen Anne he wrote:

Eternal Source of Light Divine, with double warmth thy beams display...  
And with distinguished glory shine, to add a lustre to this day...  
The day that gave great Anna birth, who fix'd a lasting peace on earth.

THE TRANSCRIPTION: The vocal line falls to the second trumpet and the first trumpet plays the unaltered original trumpet part. Matching dynamics and phrase lengths is important and imitation of style should be the aim of this lyrical piece.
