

Divertimento

John Jay Hilfiger

The *Divertimento* includes three light and tuneful movements: *Fanfare-Promenade*, *Nocturne* and *Wake Up!* Each player has something interesting and fun to play. Perfect for recitals and contests.

The title, *Divertimento*, appears on many works of Mozart and Haydn and their contemporaries. Usually such works consist of several movements and often are intended for entertainment at parties, dinners, and such, but sometimes the title is given to more serious works for concert presentation.
