La Virgen de la Macarena

Traditional

Arranged by David Marlatt

THE WORK: La Virgen de la Macarena is a traditional bullfighting song made famous by the great trumpet virtuoso Raphael Mendez. The Canadian Brass have also done an arrangement of this crowd pleaser to feature Ronald Romm on trumpet. In this version, the incredibly technical passages have been simplified without losing any of the original energy or flavour.

THE TRANSCRIPTION: With the pyrotechniques eliminated, this should make the solo part more accessible to players in high school. The use of rubato should move the tempi quite dramatically within the solo sections. Most of the technical figures in the solo part should be played in time so they line up better with the other parts.
